

Kindness Over Muscular Dystrophy (#KOMD)

KOMD

Kindness Over Muscular Dystrophy (KOMD) is an organization created by Christopher and Jessica Curran when their son Conner was diagnosed with Duchenne Muscular Dystrophy (Duchenne).

PARTNERED WITH PPMD

In order to maximize their goal of finding a cure, Chris and Jess partnered with Parent Project Muscular Dystrophy (PPMD), the largest Duchenne-specific organization that focuses on high potential research opportunities. All donations (every dollar) raised by KOMD will be directed / allocated by Chris and Jess.

WHEN WRITING CHECKS

All checks should be made to “**Parent Project Muscular Dystrophy**” or simply “**PPMD**”. Indicate in the Memo field “KOMD”, so that Chris and Jess can direct how that money is spent. You will receive documentation supporting your tax-deductible donation from PPMD.

Note: All electronic links that KOMD creates online (social media or on KindnessOverMD.org), are automatically connected to PPMD for the benefit of KOMD, so that Chris and Jess can direct how the money is spent.
